A close-up view of the left-hand side of a steering wheel. The wheel is wrapped in black leather with a perforated texture. A silver-colored control panel is mounted on the wheel. At the top, there are three buttons: a phone handset icon, a square button, and another phone handset icon. Below these are two more buttons with left and right arrow icons. In the center is a scroll wheel with a textured grip, flanked by a '+' sign above and a '-' sign below. To the left of the scroll wheel is a button labeled 'MODE/1'. To the right are two buttons with double left and double right arrow icons. The background shows a red interior panel with a circular speaker and a gear shift lever.
