NEW AUTO

A close-up photograph of the rear left side of a dark blue car. The car's body is highly reflective, showing a clear reflection of the sky and surrounding environment. A prominent silver badge with the word "XPANDER" in a stylized, italicized font is mounted on the rear panel. To the left of the badge is a vertical red taillight. Below the main body panel is a black plastic bumper with a textured, protective design. The car is parked on a light-colored asphalt surface, and a sharp shadow is cast to its left, indicating bright sunlight from the right.
